Swedish International Exhibition of Photography 2020

Swedish International Exhibition of Photography 2020

The National Association of Swedish Photography proudly presents the Swedish International Exhibition of Photography 2020, which is one of the few in Sweden.

The exhibition has obtained Recognition/Patronage from PSA, FIAP, GPU, and NFFF.

279 photographers from almost 50 countries have sent more than 2000 photos for assessment, and I should like to thank all of you who entered this exhibition. It has been a pleasure and a privilege to take part of your photos.

The selection panel has accepted 192 colour and 261 monochrome images for exhibition. Congratulations to those who were successful, and the rest of you I wish better success in our next exhibition.

In this PDF-catalogue you can take part of all the prize winning photos.

Please enjoy!
