Swedish International Exhibition of Photography 2022

Swedish International Exhibition of Photography 2022

The National Association of Swedish Photography proudly presents the Swedish International Exhibition of Photography 2022, which is one of the few in Sweden. The exhibition has obtained Recognition/Patronage from FIAP, GPU, ISF, ICS and NFFF.

Almost 300 photographers from 45 countries have sent more than 2300 photos for assessment, which is almost the same figures as in 2021.

I would like to thank all of you who entered this exhibition. It has been a pleasure and a privilege to take part of your photos.

The selection panel has accepted 255 colour and 203 monochrome images for exhibition. Congratulations to those who were successful, and the rest of you I wish better success in our next exhibition.

In this PDF-catalogue you can take part of all the prize-winning photos.

Please enjoy!
