Swedish International Exhibition of Photography 2026

The National Association of Swedish Photography proudly presents the Swedish International Exhibition of Photography 2026, which is one of the few in Sweden. The exhibition has obtained Recognition/Patronage from FIAP, GPU, ISF, NFFF and DIPA. 377 photographers from all over the world have sent almost 3000 photos for assessment, and that is an increase of 63% compared to previous year.

I would like to thank all of you who entered this exhibition. It has been a pleasure and a privilege to take part of your photos.

The selection panel has accepted about 900 images for exhibition. Congratulations to those who were successful, and the rest of you I wish better success in our next exhibition.

In this PDF-catalogue you can take part of all the prize-winning photos.

Please enjoy!
